REDS BOLSTER DEFENSES AT HUNGARY BORDER

Anti-Soviet Leader Arrested in Bulgaria; U. S. Protest Nears

LONDON, June 6 (AP)—A new Balkan ferment, stirred by the Hungarian coup and highlighted by the arrest of the chief opposition leader in Bulgaria, roused fears among diplomats here today that a Communist campaign was in full swing to consolidate control in Southeastern Europe in direct answer to President Truman's doctrine.

Political police were on the march in Budapest, where an Associated Press dispatch reported the Hungarian people live "in days and nights of suppressed terror," again listening to forbidden radio broadcasts. Vienna dispatches said the Hungarian border guard had been increased by thousands to prevent the escape of refugees.

Speculation on more Communist moves to strengthen their position before Soviet occupation troops are obliged by the peace treaties to withdraw from former Axis satellite nations was aroused by the departure of Premier Petru Groza of Romania and a group of party leaders for Yugoslavia and Bulgaria. Groza made a "good will" trip to Hungary only a few weeks before Premier Ferenc Nagy was toppled in the Hungarian coup.

His visit to Marshal Tito, the Soviet Union's strongest supporter in the Balkans, stirred a belief that negotiations on a Moscow-inspired Balkan federation might be underway.

Reports reaching Turkey, always sensitive to any Soviet move, said the Russians had concentrated at least 100,000 troops from east and west in Bessarabia, former Black sea province of Rumania, and that so-called labor battalions were being

Labor Measure Gets Senate Stamp, 54-17

WASHINGTON, June 6 (AP)—A history-making bill to curb strikes and unions passed Congress tonight with a tremendous victory margin — large enough to nullify any presidential veto unless there is a change of sentiment.

By 54 to 17, the Senate approved the measure and put it up to President Truman to sign or veto in the next ten days. The House had passed it 320 to 79 two days ago.

The margin of approval on both these votes was far better than two-thirds of those voting, and that is the majority that would be required to override a presidential veto.

But opponents of the measure hope that a strong veto message by Mr. Truman might win over the votes of some who approved it originally.

Seventeen Democrats joined tonight with 37 Republicans in favor of the bill. Only two Republicans, Langer of North Dakota and Morse of Oregon, were in the "nay" list with 15 Democrats.

Just before the final vote, Democratic Leader Barkley (Ky.) told the Senate that while he could not support the bill, "I am not speaking for the President." He added: "I don't know what his attitude will be. I do know he will have the bill carefully analyzed and then act as his conscience dictates, regardless of the consequences, political or otherwise, to him."

The bill goes far beyond the labor legislation program recommended by Mr. Truman in his state of the union message to Congress the past January.

Bitterly opposed by labor union leaders, but described by its sponsors as an incentive to production and a balancing wheel for labor-management relations, the bill:

1. Permits the Government to get 80-day court injunctions against "national paralysis" strikes, such as a railroad or coal mine tie-up.
2. Outlaws the closed shop, in which only union members may be hired.
3. Permits the union shop only when a majority of workers vote

SEEKS SMALL POLICE FORCE

Gromyko Makes Appeal To U. N., Keeps Silent On Balkans Situation

LAKE SUCCESS, June 6 (AP)—Russia said today that the world situation does not warrant maintenance of "inflated armies, navies and air forces" and insisted that the proposed United Nations global police force be small.

Delivering an hour-long policy speech to the Security Council, Soviet Deputy Foreign Minister Andrei A. Gromyko cautioned the great powers against maintaining such inflated forces on the pretext they were needed for use by the peace agency.

"We cannot but take into account that the aggressive bloc headed by Hitlerite Germany and militaristic Japan, had been defeated and that ex-enemy states have been placed under the control of the Allies," he said. "It follows, therefore, that there is no necessity in general that the United Nations maintain excessively numerous armed forces."

"Under such conditions it is impossible to justify the maintenance of inflated armies, navies and air forces, including armed forces, made available to the security council."

Gromyko made no mention of conditions in the Balkans and Eastern Europe.

Gromyko stood firm on every one of the major objections raised by Russia in the military staff committee, which finally submitted a widely-split report on the global force after 15 months of secret discussions. In the report Russia opposed the United States, Britain, China and France on more than a third of the basic principles.

The council is now debating the report in efforts to reach agreement and start machinery for setting up the international units.

On the matter of providing contingents, where Russia insists that every one of the major powers provide exactly the same numbers, Gromyko said this was

Youth's Condition Still Serious After Mishap, Fatal to Friend

James Reiffinger, 19, of Sunnyside, was still in a serious condition last night at Grandview hospital in Sellersville after a tractor accident the previous night in which his companion, Garland S. Fretz, 16, of Telford, was killed instantly.

Reiffinger was still in a semi-conscious state with a contusion of the right temple, possible internal injuries and multiple lacerations of the face.

When the accident occurred on Landes Hill road, Sellersville township, at 10:45 o'clock Thursday night, Reiffinger was riding to the rear of Fretz, the driver.

The tractor upset on a downgrade, Coroner Weisbach said after an investigation, and rolled over into a ditch. Fretz was thrown headfirst into the macadam road and died instantly of multiple fractures of the skull.

He was pronounced dead on the scene by Dr. Leroy Moyer, Souderstown physician.

The two youths were returning from a cellar excavation job in Hopperville at the time.

The wreck was discovered by Leroy Ruth, a neighbor of Fretz. A Souderstown ambulance took Reiffinger to the hospital.

Young Fretz is survived by his father, Abram Fretz, and the following brothers and sisters: Wilmer, of Collegeville; Mrs. Sylvanus Freed, of Lansdale; Mrs. Lawrence Ruff, of Leesport; Mrs. Valentine Rickett, all of Souderstown; Mrs. Lillian Hartman, of Telford; Mrs. George Fitzgerald, of Telford RD. and Russell, Stuart and Arlene, all at home.

Funeral services will be held Monday.

This Tonsil Business Isn't So Bad After All

Pretty Joan Scheidt, daughter of Mrs. Esther Scheidt, Penn Village, who had her tonsils removed at Pottstown hospital, can hardly believe her eyes as Student Nurse Mary Jane Noll offers her ice cream for supper. With almost unlimited supplies of ice cream available, most of the children wish they could have their tonsils taken out more than once.

June's Marital Business Gets Start This Weekend

If you remembered to tear off the May sheet from your calendar, you will know that it is now June.

To the unromantic this means the advent of hordes of houseflies, the unrelenting heat of full Summer and the wails of sun-scorched children.

But to the young in heart, those who are still inoculated against worldly weariness by Venus' slap-happy serum, the sixth month of the year conveys a different notion.

June to them is a time of silver-washed leaves rustling softly in lazy moonlight, of flower-flavored zephyrs and, above all, the time when couples can escape home and the stern parental eye and nuzzle together beneath the celestial arc.

All this means more work for (a) the police department and (b) the clergy. Because, as anyone knows, the paths of spooning generally lead to the altar.

This being the first weekend of the month, for which the pearl gem of love, is the birthstone, the marriage season is in full swing.

Scouts to Gather Scrap Paper Today

Rain or shine, Pottstown Boy Scouts will stage their last thorough scrap paper roundup of the season this afternoon.

The boys leave for Camp Delmont, near Green Lane, June 29, and this will be their last opportunity to earn money for camping expenses with a scrap drive.

All money received from the sale of paper collected will be earmarked for camping expenses, including fees and equipment, Robert U. Borneman, district scout executive, explained last night.

Today's roundup, which will get under way at 1 p. m., will follow the pattern of previous drives, he said. Every street in town will be covered by scout-manned trucks. Those with paper to give were asked to have their securely-tied bundles on curbs early.

Tonsil Season Is Here For Pottstown Hospitals

Warm weather and the ending of school terms are ushering in the tonsil season for local hospitals.

Pottstown hospital reported 15 tonsil operations since the beginning of the month, while Memorial hospital reported four, with five scheduled for today.

A. C. Seawell, administrator of the Pottstown hospital, announced that during the year starting June 1, 1946 and ending May 31, 1947, the hospital performed 322 of these operations.

Mrs. Dorothy L. Mulford, superintendent of the Memorial hospital, said that during the same period, 204 tonsil operations were performed in Memorial hospital.

Youth's Body Found Floating in River Near State School

The body of a 17-year-old escaped inmate from Pennhurst State school yesterday was found floating in the Schuylkill river near the school by a Spring City youth preparing for a swim.

The body was identified later by school officials as being Stephen O'Donovan, of Philadelphia, who escaped from the school the past Wednesday at 4 a. m. His body, completely unclothed, bore marks of violence around the head and face where cuts had been inflicted.

R. Robert Moyer, 20, of 224 Rich street, Spring City, was responsible for recovering the body from the river. He was going for a swim yesterday afternoon at 4:30 o'clock, he explained, and was about to disrobe on the bank about a mile up the river from Spring City, when he saw an object resembling a body floating on the surface.

Quickly shedding his clothes, Moyer plunged in the water and swam to the inert figure. He hauled it to the shore where he felt the pulse and found the body lifeless, he said.

It was necessary to summon help to drag the body over a five-foot embankment at the shore, the youth related.

The place where the body was found is just across the river from the school.

The body was taken to the school where Dr. James S. Dean, superintendent, identified the drowned boy. He remarked that he was of the violent type but was unable to account for the presence of the cuts on the head.

The superintendent said O'Donovan was admitted to the institution in 1940.

Chester county Coroner Cooper Bishop Jr. will investigate the case. The body was not badly decomposed, observers said, indicating that it had not been dead for very long.

FORD FOREMEN BEATEN, DETROIT, June 6 (AP)—Two non-striking foremen were beaten today and four other men arrested on the 17th day of a strike by 3800 foremen against the Ford Motor company.

Canine Culprit Falls Prey to Police Sleuthing

The "fowl" play in Grove street hen houses came to an end yesterday, even though the canine criminal charged with the beginning evaded the trap set by the Pottstown police.

On dawn patrol yesterday, Patrolmen Robert Houser and Joseph Thees scouted the territory looking for the brown and white spotted dog.

Realizing that the heat was on and that the police were on his trail, the dog hopped up and refused to fall into the trap.

Houser, undaunted by the failure of the police dragnet, went over the case from the beginning. Starting with Mrs. Daniel Palladino, 1088 Grove street, who lost a hen and two chicks to the dog Thursday, he slowly widened his circle.

A neighbor of Mrs. Palladino gave him the successful clue when he identified the dog as a coach

WEED CONTROL ACTION PLEDGED

Property Owners to Get Notices From Borough To Comply With Order

A war on weeds was declared yesterday by Borough Manager Dow I. Sears.

Sears said the borough would take action on weed control by notifying property owners that they must cut the weeds on their land.

The borough action was taken following the council meeting on Tuesday night when Councilman William Romich, of the Second Ward, brought the issue up for discussion. Romich decided the weeds were so tall on Evans street near Prospect street that the sidewalks were hidden.

Councilman Harry E. Yergey, of the Third Ward, pointed out the danger presented by the weeds when he asserted they were obscuring the fire hydrants.

Action on the latter problem will be taken immediately, Sears said yesterday. Starting today, two men will be assigned to cutting and clearing the weeds around the hydrants.

Plans are being made to procure a mowing machine to take care of the parkway strips along the roads, he said.

The weed issue was referred to the police committee at Tuesday night's session and yesterday, Chief of Police James A. Laughhead said

Nominations Opened At Meeting of Legion

Nominations for officers of George A. Amole post 47, American Legion, were opened last night and the list will be completed on June 30. It was announced at a meeting of the post last night.

The organization received 14 new members at the regular meeting. Norman John, service officer, reported that that department is busy now with terminal leave, claims and insurance for veterans.

William Yohn, second vice-commander, was in charge of the meeting attended by 45 members.

The session was adjourned in memory of Joseph Anderson, Gerald Fizz and Michael Dezura, Legionnaires who died since the last meeting.

Taft Contends Truman Administration At Fault for Increased Prices in U. S.

By ROGER D. GREENE
WASHINGTON June 6 (AP)—Senator Taft (R-Ohio) lashed back at President Truman on the economic battlefront today, blaming the Truman administration for high prices and keynoting a likely major issue for the 1948 presidential election.

"What I object to is the President's inconsistent talk about lowering prices," Taft said in a statement, "when every policy of his administration has increased prices and is still doing so."

"He proposes to veto the law of supply and demand and avoid the results of his own policies by occasional grumbling at businessmen and high prices."

Thus Taft replied to Mr. Truman's attack yesterday in which the Chief Executive accused Taft of pursuing a "boom and bust" economic bubble and harboring "fallacious and dangerous" economic views.

The clash of views between the White House and the Republican Senate policy chief, floodlighting Taft anew as a possible 1948 GOP presidential candidate, broke into the open when Mr. Truman took the Ohio lawmaker to task at his news conference yesterday. Mr. Truman took particular exception to a remark by Taft in an interview that apparently the President had side-tracked a campaign to keep prices down in favor of "heavy spending abroad that will keep them up."

In a 700-word statement, Taft today declared that Mr. Truman has "created all the basic conditions which compel high prices." And he listed five points to illustrate what he termed the President's inconsistencies:

"1. The President was the one who vetoed the first OPA bill (last year) and then abandoned OPA control after Congress gave him full power to regulate most prices, including the price of all manufactured goods.

"Because we prohibited OPA prices below cost, he decided to take off every control. Apparently, if he was not allowed to bust, he proposed to boom."

"2. The President encouraged a pattern of general wage increases all over the United States on the theory that they could be granted in all fields without price increases, a theory which even his strongest supporters immediately found to be unsound."

"3. The president has fought every effort of the Congress to reduce Government expenses and taxes. Taxes increase costs and increased costs inevitably mean higher prices."

"4. By vetoing the Case Bill (last year's labor measure), and otherwise, he has resisted the effort to curb the power of the labor union leaders which meant higher wages for a very limited group of powerful unions, but increased costs for everybody else."

"5. Huge dollar funds have been made available through the International bank, the International fund, the British loan and many special loans, far beyond the proof of specific needs which I have always voted to meet."

"This has of course forced up the price of many basic materials, particularly when dispensed through stupid Government buying policies which have brought the Government into the market at the most inopportune moments. Now Administration supporters seem to be contemplating vast additional loans abroad."

He Gets Along With All Boys

Whether the boy be prince or pauper, Father Edward Flanagan gets along with him equally well. The founder of "Boys' Town," Neb., receives an admiring glance from Prince Akhito, eldest son of Emperor Hirohito, during the meeting in Tokyo. Father Flanagan is in Japan to map plans for Jap boys left homeless by the war.

Trouble Ahead, Forrestal Tells Navy Graduates

By A. WHITNEY SHOEMAKER
ANNAPOLIS, Md., June 6 (AP)—The Naval academy graduated 494 midshipmen with traditional ceremony today and Secretary of Navy Forrestal told them the years ahead would be "more deeply vexed and troubled" than any since 1861.

"The United States," he said, "provides the principal core of stability in a world shaken by six years of bitter, destructive, fighting."

"If war is to be avoided, we shall have to find solutions for political, economic and security problems such as the nation has never faced."

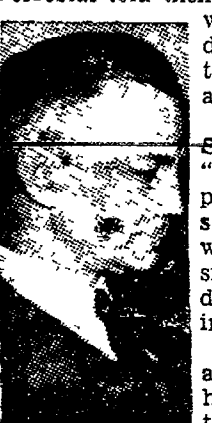

The secretary said conquered nations cannot be allowed to starve, but at the same time we must guard against a recurrence of conditions which produced Hitler. He proclaimed a faith in the "halting first steps" of the United Nations, despite "the professions in arms in which we are engaging today."

Admiral William H. P. Blandy, Atlantic Fleet commander, swore in 438 of the graduates as Navy ensigns and 33 as Marine Corps second lieutenants to climax the 50-minute ceremony in vast Dahlgren hall.

There was a furor as classmates tossed up William A. Pelovic of Shelton, Conn., who was at the bottom of the list of 494 graduates. He brandished the blue paper anchor of the class "anchor man," not infrequently the forerunner of an admiral's flag in the future.

The cheering graduates swung out of Dahlgren hall singing "Anchors Aweigh" and rushed to the old Japanese bell brought back by Commodore Perry to have their new insignia of rank pinned on by mothers and sweethearts.

Free at last of the restriction that no midshipman may have wife, the first of 19 couples planning wedding ceremonies went to the chapel for their nuptials.

Rigid Inspection Of Skymasters Ordered by Army

WASHINGTON, June 6 (AP)—All Douglas C54 Skymasters in military transport service were ordered today to undergo inspection of tail assembly fittings in a temporary grounding which officials said would not interrupt scheduled operations.

The Army Air Forces Air Transport Command acted first in what was described as "a routine flying safety precaution" based on reports from Wright field that inspections had shown looseness and shearing in bolts and vertical stabilizer attachment fittings in some planes.

ATC said it has 194 C54s in operation.

The Navy's bureau of aeronautics later took parallel action to require inspection of the 66 Skymasters operated by the Naval Air transport service and 30 to 40 others used for other than scheduled flying.

Commander Tom South, of NATS, announced that the DC4 was given a clean bill of health following complete check of the tail assembly.

"No weaknesses or troubles were revealed," he said. "There has been no disruption of NATS schedules and no planes have been grounded."

The nation's commercial airlines, which operate 254 Skymasters converted from the military type for domestic and international services, indicated there would be no interruption of schedules. The Air Transport association said tail assembly inspections had been under way for some time, and that in general the airlines make more frequent inspections than the military services.

U. S. PICTURED PEACE LEADER BY EISENHOWER

Army Chief Singles Unnamed Nation With Contrary Viewpoints

KANSAS CITY, Mo., June 6 (AP)—Gen Dwight D. Eisenhower declared tonight that "we intend to continue the firm champion of those who seek to lead their own lives in peace" despite any "hostility" from another nation.

Without naming Russia, the Army chief of staff noted that "at least one of the powerful nations does not see eye to eye with us on measures for the stability peace demands."

"But another's indifference—or even hostility—must deflect us from the course we deem right," he continued.

"We do not dictate to any nation what it does internally but we intend to continue the firm champion of those who seek to lead their own lives in peace with world neighbors. They need our help."

The general added that "without American aid, guidance and leadership there is immediate danger of social, political and economic chaos among hundreds of millions."

Eisenhower's address was for a reunion of the 35th Division which formed part of his armies in Europe in World War II and in which President Truman served as an artillery officer in World War I. The President is to address a reunion memorial meeting tomorrow night. Mr. Truman and Eisenhower flew here today from Washington in the presidential plane.

Eisenhower recalled that three years ago today was D-Day and "we struck with all we had" in the Normandy landings "on behalf of those less fortunate and to perpetuate the system we call America."

"But," he cautioned, "pride in this record, however, must be tempered by realization of our own prior fault in permitting conspiracy against the world's peace to become menace to the world's freedom."

The general said that the second world war and the price this country paid for it was the penalty for years of indifference when this nation stripped itself of strength necessary to security and to leadership for peace.

"Because we did not sustain the peace, we drifted into danger and freedom was jeopardized," he said.

"D-Day, a magnificent proof of the best in the American tradition, was an appalling penalty for failure to live up to our responsibilities."

Eisenhower noted that "arguments both for and against an action or policy, not immediately concerned with our internal affairs, are advanced by loyal Americans."

"But there is one stark fact in the world today, subject to no argument, requiring no lengthy proof," he continued.

Judges Disagree on Affidavit's Value In Investigation of Missouri Vote Fraud

WASHINGTON, June 6 (AP)—Federal Judge Albert L. Reeves said today that an affidavit alleging voting fraud in Kansas City "probably would" have prompted him to order a Grand jury investigation had he seen it, but another judge said he would have needed more evidence.

Both Reeves and the other Federal judge, Albert A. Ridge, said they decided against a Grand jury investigation of the alleged 1946 frauds without ever seeing the affidavit.

They said they took this stand on the basis of a synopsis of an FBI report as presented by U. S. District Attorney Sam Wear.

The report on which the synopsis was based included the affidavit in question. The signer, Estella Carter, said that when she appeared at the polls a man told her "I voted you." She also said the man tried to give her money "to buy some beer."

Reeves told a Senate judiciary subcommittee headed by Senator Ferguson (R-Mich.) that he did not inspect the FBI report itself, which presented in detail affidavits collected by the Kansas City Star in its own investigation of the primary election.

Today's hearings had their warm moments, Senator McCarran (D-Nev.) accusing Ferguson of seeking publicity and not being a good judge of evidence.

The primary was held the past August in the Fifth Missouri congressional district, which takes in part of Kansas City. Roger Slaghter, Democrat running for renomination to Congress, was defeated by Enos Axtell, who bore President Truman's blessing. Axtell, however, lost in the general election to Albert L. Reeves Jr., a Republican and son of the judge who testified today.

The Justice department made an investigation of fraud charges the past Fall, and Wear decided there was no basis for prosecution. A State Grand jury, however, has indicted 71 persons on charges of election law violations, and Attorney General Clark said yesterday a new and "full" investigation of the affair is being made by the FBI.

Higher Minimum Wage Sought by Senators

WASHINGTON, June 6 (AP)—Four Republican senators today introduced a bill to establish a minimum wage of 65 cents an hour. The present minimum is 40 cents.

Sponsoring the bill are Senators Aiken (Vt.), Tobey (N.H.), Ives (N.Y.) and Cooper (Ky.).

President Truman has urged that the minimum wage be raised.

Army Presses Hunt For Pair Trapped in Nicaraguan Jungle

WEST PALM BEACH, Fla., June 6 (AP)—The green hell of a Nicaraguan jungle was being forced today to give up the last of 15 airmen it snatched from a burning bomber more than two weeks ago.

It required only minutes for the men to plunge into the dense fastness on May 21, as they flew from the Canal Zone toward Kelly Field, Texas. Intensive rescue efforts got under way quickly, but 17 days later two still are the prisoners of the tangle of trees, vines and creepers.

The Army at Morrison field here said one of the men yet to be rescued is M/Sgt. Richard A. MacCreedy, of Franklin, Ky., who definitely is alive. The name of the other was withheld because "We don't know if he is dead or alive," the 62d Air Rescue squadron reported. Ground troops are battling towards them.

Of the 13 men previously rescued, one died as he was placed aboard a helicopter after 14 days in the jungle. He was listed as Sgt. David J. Wylie, Chicago.

"This has been one of the Army's most difficult rescue efforts since the war," said Morrison field officers.

Conquering the jungle required thousands of miles of flying, aerial photographs of a large area in search of clues, the parachuting of a doctor, supplies, instruction and work crews into the jungle, hacking out a clearing for helicopter to land, and tedious chopping paths through heavy growth toward survivors.

Abducted Infant Found in Chicago

CHICAGO, June 6 (AP)—A three-month-old baby girl was abducted on a South Side street today while her mother was shopping in a department store, but the baby was found unharmed several hours later in a loop station of the Northwestern railroad.

Police said they believed the infant was taken by an unidentified woman who fled on a street car and later abandoned the child in the depot. They offered no motive for the incident.

Mrs. Velva Jankel, mother of the baby and wife of Raymond Jankel, 24, an electrical inspector, reported to police their daughter, Cynthia, and her baby were gone from outside the store when she came out after 15 minutes of shopping shortly before noon.

The empty buggy was found later several blocks from the store, and an eight-year-old boy, Ronald Smith, Kenosha, Wis., told police a woman had left it in his care.

Sen. Myers to Hear Plea on Evictions

Burgess William A. Griffith announced last night that U. S. Senator Francis Myers has agreed to meet civic representatives of Pottstown next Thursday afternoon at 2 o'clock at his offices in Washington, D. C., when he will hear pleas to have eviction of 92 families from Penn Village deferred for at least one year.

Burgess Griffith said there will likely be five in the group making the trip to the nation's capital. He indicated there will be representatives from borough council, the Chamber of Commerce and the Montgomery County Housing Authority in the group.

At Tuesday night's meeting of borough council, a plea was made by Councilman Gerald J. Daly in behalf of those families facing eviction under the Federal Act. Daly made a motion that Burgess Griffith head a committee to visit Washington and make a personal plea. Letters have already been sent to Senators Myers and Edward Martin and Congressman Samuel K. McConnell Jr.

Mrs. Ida K. B. Helric, Widow of Parkerford Pastor, Dies at 92

Mrs. Ida K. B. Helric, 92, widow of the Rev. J. P. Helric, Parkerford, died in the Memorial hospital of Pottstown at 12:30 o'clock yesterday. Taken ill six days ago, she was a patient in the hospital five days.

A direct descendant of Bach, the composer, she was the daughter of the late John and Caroline (Baugh) Ellis, and was born on the place then owned by her father, Ellis Woods. She lived there until she moved to Parkerford, where she since resided.

The Rev. Helric, whom she married in 1887, formerly was pastor at Parkerford Brethren church and was head of the three Brethren churches in the area, Parkerford, Harmonyville and Coventry Brethren.

Her father, who invented the first tread-power threshing machine, also built and operated the present Keystone Agricultural works.

Mrs. Helric graduated from West Chester Normal school with the class of 1873. She was a lifelong member of the Brethren church.

Surviving are a step-daughter, Jennie, wife of Robert Rinehart, Parkerford, and a step-grandchild.

Funeral services will be conducted Tuesday afternoon at 2 o'clock in a Parkerford memorial home, with burial in Under cemetery, North Coventry township.

Trucker Pays \$50 Fine For State Law Violation

Charged with operating a motor truck on a State highway with a load exceeding the legal maximum height and width, Jack Farrell, of Philadelphia, was arrested by P. T. Martin R. Kiggins, of the State Police station at Collegeville.

He was given a hearing before Justice of the Peace Richard H. Cadmus, of the Seventh ward, and was ordered to pay a fine of \$50 and costs.

Kiggins testified that Farrell was operating a truck tractor and trailer loaded with a 15,000 gallon tank with a width of 10 feet and 6 inches. The law bans any load over 96 inches in width without a special State permit.

Dewey, Stassen Steer Clear of Politics In New York Meeting; Discuss Trip

By CHARLES MERCER

NEW YORK, June 6 (P)—Gov. Thomas E. Dewey and Harold E. Stassen conferred today and afterwards both said there was no domestic political significance to their meeting.

Stassen, only announced candidate for the 1948 Republican presidential nomination, talked with Dewey for an hour and 20 minutes in the governor's hotel suite.

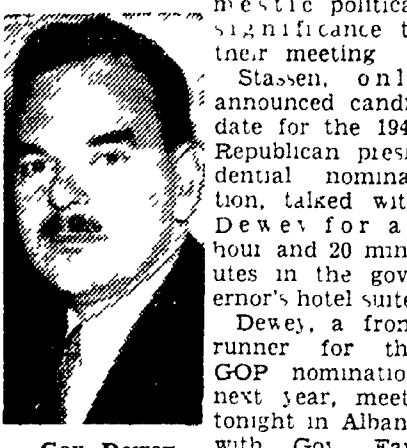

Dewey, a front runner for the GOP nomination next year, met tonight in Albany with Gov. Earl Warren of California, who also has been mentioned as possible standard bearer for the party in 1948.

Warren arrived here by plane in the afternoon and told newsmen his meeting with Dewey would be "purely social and had no political significance."

Asked if he would talk politics during his overnight stay at the State capital, Warren laughed and said it would be difficult for him and Dewey to talk "without discussing politics, I guess."

Both Dewey and Stassen said in separate news conferences after their meeting that they discussed only Stassen's recent ten-week trip through 16 European countries and, said Stassen, "The implications on America of world economic policy."

Dewey, 1944 GOP presidential nominee said he was "in pretty general agreement on the facts."

Gov. Dewey

Stassen related But neither would disclose what specific aspects of the European situation they discussed.

Stassen, considered in Republican circles as liberal in his views on foreign and domestic affairs, talked with the New York governor immediately after Dewey held an hour-long conversation "on foreign affairs" with Bishop G. Bromley Oxnam, of the Methodist church of New York conference and John Foster Dulles, foreign affairs adviser to Dewey in the 1944 campaign.

Dewey apparently thought the earlier conference of sufficient significance to announce it at his news

conference regarding the interview with Stassen. But he did not reveal the subjects discussed.

"There can be little disagreement on the facts and many of the conclusions" of Stassen's trip, Dewey said.

Stassen, former Minnesota governor, said he always had been a strong believer in the leaders of the Republican party staying in touch with each other and that he had failed in an attempt to consult Dewey immediately upon returning from Europe because the governor was absent from Albany.

Church Arranges Special Program For Children's Day

Children's Day in Church of the Good Shepherd, Evangelical and Reformed, will be observed tomorrow at 9 a. m. in a unified church school program.

Members of the school will report to their respective classes as usual for opening exercises, after which they will proceed in groups to the church sanctuary for the special program.

The program in the sanctuary will open with an organ interlude, "Melody" by Demorest, the call to worship, and a hymn. A variety program entitled "Love Gifts" will follow. Carl Spohn, of the Senior department, will read the Scripture and Reda Ruth Frain, of the Junior department, will offer the prayer.

The following program will be presented by the Primary department: piano duet—"Country Gardens" by Gloria Fleming and Margaret MacCall; recitation—"Children Bring Their Praises" by Gloria Spohn; piano solo—"The Linnet," by Nancy Lou Trout; piano solo, Marlene Webster; vocal solo—"Lord's Prayer," by Gerald Becker; clarinet solo—"Old Folks at Home," by Betty Ann Zook; piano solo—"Brownies' Carnival," by Martha Lee Koons; and group songs—"Climb up Sunshine Mountain" and "Happy All the Time."

A service of infant baptism will follow the children's sermon as preached by the Rev. Harper L. Schneek, pastor. The offertory will be "Spring Morning" by Doige.

The program to be presented by the Junior department includes group songs and Dorothy Ann Specht, soloist. The special observance will come to a close with the singing of a hymn by the school, the benediction by the Rev. Schneek, and the organ postlude, "Alleluia," by MacDonald.

The following men from the Senior department will receive the offering and assist in the service: Carl Weller, Raymond Pettyjohn, Paul Manwiler, James Roup, Harry Reiff, Daniel Hartman, George Updegrave and Gerald Toms.

Legion Selects Five Delegates to State Convention

Five delegates from Charles B. Yenger post 471, American Legion, were named at a recent meeting of the group to attend the State convention in Pittsburgh in August.

They are Elam Bieler, Frank Del Grosso, Paul Fryer, Murrell D. McKinstry and Harry Mauger. Alternates named are Daniel H. Zuber, Norman S. Gotwals, Jacob Stauffer and Stuart Wien.

Paul Fryer, president of the drum and bugle corps announced that uniforms for all new members have been ordered and that the drum corps is under contract for July 4 to appear in the firemen's parade in Pottstown. Sponsoring organization is the Mt. Penn Fire company.

The post will sponsor a carnival this year on a lot at Second and Warwick streets, Boyertown, on July 11, 12, 18, 19, 25, and 26. Harry Mauger, chairman, pointed out that the site of this season's carnival is the same as was used the past year.

M/Sgt. Melvin Reimnauer, of Reading Recruiting office, U.S. Army, and S/Sgt. Rogers, of the Pottstown office, were present at the meeting to show motion picture films on combat in World War II.

Daniel H. Zuber, chairman of the awards committee, reported that Legion award medals for outstanding eighth grade pupils went to Harold LaVerne Gresh and Shirley Erb, in Colebrookdale Consolidated school, and to Anthony Minotto and Barbara Ann Wamsner in Pine Forge Consolidated school. Boyertown recipients were Patsy Landis and George Unger, it was also reported.

Court Gets Papers In Annexation Plan

Annexation of 31 acres of land in Colebrookdale township to the borough of Boyertown is proceeding, and a copy of the ordinance as drawn up by H. Leon Breidenbach, solicitor for the borough, was filed with Calvin J. Kutz, clerk of quarter sessions, in Reading.

The document states the proposed annexation is 31 acres and 157,524 perches in area. It also lists the present borough area as 455 acres and 94,724 perches.

Breidenbach represents the borough. President Judge H. Robert Mays signed an order permitting the papers to be filed.

Reunion Arranged By Boyertown Class

Nearly 100 members and guests of the Class of 1937, Boyertown High school, will hear Guidin G. Yoder, veteran teacher, address a reunion of the group tonight at 7 o'clock in Boyertown inn.

Boyerlown Delegate To Attend 'Y' Meeting

Richard Weller, son of Mr. and Mrs. Harvey F. Weller, 519 East Philadelphia avenue, Boyertown, will represent the Central East district of the State YMCA when the Hi-Y Council convenes in Williamsport YMCA today and tomorrow.

Weller was scheduled to leave Boyertown for Williamsport today at 8 a. m. He will return home tomorrow night. Four boys from each of the state's ten Hi-Y districts will make up the council meeting. The body determines policy for local clubs and will also take up plans for the 1948 "Youth and Government day" scheduled for Harrisburg next Spring.

Weller has been an active member of Boyertown Junior Hi-Y club for the past three years.

Former Servicemen To Get Recognition At Methodist Service

One hundred and twelve blue stars representing the members of the First Methodist church who served in the armed forces have been removed from the flag and will be presented to those men in ceremonies in the church at 10:45 a. m. tomorrow, while the seven gold stars will be given to representatives of the families of those who did not come back.

The stars are enclosed in wallets, engraved with appropriate inscriptions.

The Rev. Horace N. Olewiler, pastor of the church, will call the roll of servicemen, and Stanley L. Davenport and Arthur K. Switzer, president and vice president of the board of trustees, will make the presentation.

This service was planned by a committee that included Ralph H. Spare, C. Douglas Hale, and Mrs. Edward Graham, who sent letters of invitation to each veteran or to his family. Mrs. Graham, who made the banner and sewed on the stars, also removed them and attached them to the wallets.

Seven men for whom gold stars were sewn in the banner were Robert L. Johnson, Stanley A. Kovato, Richard Lightowler Jr., Theodore M. Maloney, Maurice W. Myers, Henry M. Schwabe, and Robert S. Smith. An eighth veteran, John R. S. Yarnall, died shortly after his discharge from the Army.

In keeping with the special ceremonies, the Rev. Olewiler will base his sermon on the theme, "Good Soldiers."

Bible Class Federation To Meet at Sunnybrook

The Pottstown Federation of Men's Bible Classes will hold its first outdoor meeting of the season Tuesday night at 6:45 o'clock at Sunnybrook. Quilts, softball and other games will be on the program. St. James Lutheran church will be host at the event.

Dedication of Gifts Arranged for Service

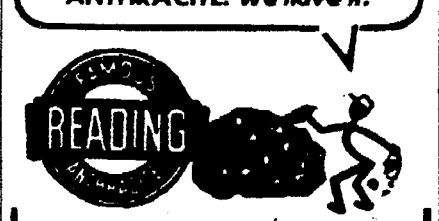

Baptism of several infants and dedication of several gifts placed upon the altar will mark the worship service to be held in Trinity Reformed church, Hanover and King streets, tomorrow morning at 10:45 o'clock.

A number of infants in the parish will be brought to the church by their parents to be baptized by the pastor, the Rev. John B. Frantz. The baptismal service is held as a part of the observance of Children's Day. The Junior choir will sing.

During the service an alms basin and a new altar hanging also will be dedicated. The alms basin was presented by Kline M. and Mrs. Edna Ludwig Geyer. A green altar hanging was presented by E. L. Strang.

Dedication of these gifts completes a series of presentations for use on the church altar, made during the past few months. On Palm Sunday, a white altar hanging, presented by Mr. Oliver L. Christman, was dedicated. A purple altar hanging from an anonymous giver was

Spring Blossom

Sweet as the blossoms of springtime, this beautiful graduate clasps the diploma which symbolizes years of study and achievement. The light of fresh knowledge is in her eyes and the glow of happiness on her cheeks as she sees the distant vistas of life spread out before her.

Whether her course will lead her now—to further academic pursuits, to the marriage altar, or to new achievements in other fields—is a question the picture does not answer.

But whatever her future course may be, she is certain to find pitfalls, dangers and difficulties along the road of life. She will need character, courage and faith to carry her safely through and bring her life to its highest and richest attainment.

Religion and a suitable church connection is something she cannot afford to neglect.

The beauty of her sweet young face must be enhanced by the beauty of mind and soul attainable through faith.

Let her but reach up and put her hand in the hand of God, and he will lead her safely into the fullness of life.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, are four sound reasons why every person should attend (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church on Sunday and read your Bible daily.

Josephine Rosenberry and LeRoy Barrett Married at Lovely Candlelight Ceremony

At a lovely candlelight ceremony last night in St. James Lutheran church, Miss Josephine Rosenberry, daughter of Mr. and Mrs. Frank Rosenberry, 343 Rosedale drive, became the bride of Mr. LeRoy Barrett, son of Mrs. Dorothy Barrett, 320 Chestnut street.

The double ring ceremony was solemnized at 6 o'clock by Dr. Gustave Weber, pastor.

Preceding the ceremony a recital of bridal music was presented by Florence Bernhart, organist, and Mrs. John H. Longaker, soloist.

The bride, who was given in marriage by her father, was picturesque in a gown of white marquisette, the model featuring an illusion neckline and long full sleeves. The hoop skirt which formed a long train was trimmed with a lace band around the waist and strips of the lace in the skirt. She wore a floor length veil of imported Belgium lace and carried a white prayer book topped with a lavender orchid.

An aunt of the bride, Mrs. Louella Seidel, Philadelphia, in the role of matron of honor, wore a gown of blue marquisette, styled with an oval neckline, and long full sleeves. Her headpiece of blue and yellow carnations with blue veiling matched her old fashioned bouquet. The bridesmaids, Marie Jayne Gipe, Chambersburg; Mrs. Dorothy Ernst, Reading; Florence and Marie Barrett, sisters of the bridegroom, and Betty Petzer, wore yellow marquisette gowns styled like the matron of honor's. Their headpieces and bouquets also were like the matron of honor's.

Ardith Jean Rosenberry, sister of the bride, as flower girl, was dressed in white and carried a basket of mixed flowers.

Mr. Albert L. Barrett performed the duties of best man while Messrs. William Ernst, Reading; Frank and Harold Rosenberry, brothers of the bride, and Randall Keim, served as ushers.

Following a reception at Brookside Country club, the couple left on a honeymoon trip to an undisclosed destination, the bride wearing an aqua Summer suit with white accessories.

Upon their return, Mr. Barrett and his bride will reside in their newly furnished apartment at 318 King street.

The bride, who was graduated from Pottstown High school, class of '45 and Brown's Institute of Beauty Culture, class of '46, owns and operates a beauty shop.

Mr. Barrett, who served three years in the US Army, is employed by the Doehler-Jarvis corporation.

Shirley L. Leh Becomes Bride of Edgar D. Freese

Miss Shirley L. Leh, daughter of Mr. and Mrs. George D. Leh, 41 King street, became the bride of Mr. Edgar D. Freese, son of Mr. and Mrs. Edgar R. Freese, 325 South Hanover street, yesterday afternoon at 2 o'clock in Trinity Reformed church.

The ceremony was performed by the Rev. John B. Frantz, pastor, before an altar banked with Spring flowers.

Prior to the ceremony a recital of bridal music was presented by Mrs. Minnie Brendlinger Lehr, church organist.

The bride was attired in an afternoon frock of heavenly blue silk jersey with matching hat and gloves. Her attire was completed with a corsage of pink sweetheart roses, blue feathered carnations and baby's-breath.

Mrs. Leh, mother of the bride, wore a pink dress, matching hat and black accessories. Mrs. Freese, mother of the bridegroom, chose a multi-colored flowered silk dress with white accessories. Each wore a corsage of blue feathered carnations.

Immediately following the ceremony, Mr. Freese and his bride left on a honeymoon trip to New York. Upon their return they will reside in the home of the bride's parents.

For traveling the bride chose a black tulle suit with matching hat.

French Premier Asks Rail Workers To Cease Walkout

PARIS, June 6 (AP) — Socialist Premier Paul Ramadier turned down tonight a request to renew negotiations in the French rail strike, saying "I refuse to bargain under menace," and then appealed personally to the rail workers by radio to return to their jobs as good patriots.

Officials at Ramadier's office said the government was prepared to requisition the state-owned rail network, where scattered strikes had almost paralyzed traffic in six of the seven big Paris terminals. Requisitioning would affect personnel chiefly.

They declared also that the government was ready to mobilize army trucks to speed food to the suburbs to combat the gravest labor threat to any French government since the liberation.

"You cannot desert," Ramadier said in his broadcast to the railroad men on the third anniversary of the Allied landings in Normandy. "You are patriots."

Ramadier has blamed Communists for fomenting many of the strikes that have plagued his administration since he dropped the Communists from the French government.

He promised certain concessions to the workers and said:

"The government asks you to resume your normal work. You know what the stoppage of the trains means for the nation—the paralysis of economic activity, the food situation menaced and the national life threatened at its heart."

Accused

Son of the late President, John Roosevelt removes his dark glasses during a hearing in the city attorney's office in Los Angeles. At the hearing, George Hardy, a strike picket, charged that young Roosevelt struck him while he was picketing a department store, of which Roosevelt is an executive. Hardy wants Roosevelt charged with assault and battery.

Jury Again Convicts Schwenkville Man

By Staff Correspondent
NORRISTOWN, June 6—For the second time in three months, Roy H. Ebricht, 29, of Schwenkville, formerly of Trappe, was convicted this afternoon on a charge of larceny when a jury before Judge Harold G. Knight found him guilty after deliberating less than two hours.

He remains free, however, pending court action on his motion for a new trial but Judge Knight increased his bail from \$1000 to \$2000.

According to State police of the Collierville sub-station, Ebricht stole \$19 from the home of Buhlea Helmick, Trappe, where he and his wife occupied two rooms.

More than three million telephones have been installed in the United States since war's end.

Borough Briefs

Justice of the Peace Raymond C. Kelley, of the Second ward, will send a summons to Walter B. McClellan, of 1220 Queen street, who is charged by Patrolman Robert Houser with passing a red traffic signal at High and Washington streets yesterday morning at 7:35 o'clock.

Police reported he was driving west on High street in the second lane of traffic and that he pulled around a halted car and passed the red traffic signal.

A summons will be sent to John R. Jace, of Newark, N. J., who is charged by Police Patrolman Joseph Thees with passing a red traffic signal at High and Franklin streets on Wednesday night at 8:15 o'clock. Jace was traveling west on High street. The summons will be issued by Justice of the Peace Raymond C. Kelley, of the Second ward.

Zoning Variance Asked To Construct Bus Barn

A hearing on an application for a variance from the zoning ordinance will be held by the zoning board of adjustment next Thursday night at 7:30 o'clock in the council chamber of borough hall.

The application has been filed by the Pottstown Transit company which seeks a permit to erect an addition to its bus barn on East High street near Moser road. Members of the board are Jay H. Rinehart, George Peacock and Irvin W. Rieker.

Four Men Overcome By Fumes in Oil Car

PHILADELPHIA, June 6 (AP)—Four unconscious men were fished from a sidetracked oil tank car today after they had been overcome by fumes, three of them in a rescue attempt.

Edward McConahy and Joseph P. Kelly were working near the tank car, police said, when one of them apparently was overcome by the fumes and the other, after shouting for help, crawled inside to rescue him. Two city firemen, William Hutt and Anthony de Feo, also were overcome inside the tank attempting to aid the stricken men.

Members of the fire rescue squad, unable to get through the small hatch while wearing inhalators, fished the four victims out with polehooks and revived them with oxygen. McConahy and Kelly were taken to a hospital in critical condition and placed in oxygen tents.

COMMUNIST WAVE —

sent from Hungary and Romania into Bulgaria. These reports said it was assumed the battalions were to build roads and railroads near the border of Greece.

One outspoken diplomatic source in Istanbul was quoted as saying: "If Russia gets away with this thing in Hungary, then it means Russia stands safe and supreme behind the iron curtain and hopes of democracy there have crumbled for at least a decade."

Other information reaching Turkey said there had been 15,000 arrests of non-Communists in Romania in recent days.

The arrest of Nikolai Petkov, opposition Agrarian, by Communist Georgi Dimitrov's Bulgarian government in connection with alleged conspiracies to overthrow the regime by force, appeared to be in the same mold as the accusations that resulted in the resignation of the Hungarian premier.

While the State department in Washington drafted a strong note to Russia charging Soviet interference in Hungarian affairs and threatening to take the case to the United Nations, the No. 1 Hungarian Communist, Matyas Rakosi, was disclosed to have boasted that the "iron-fisted Communist party" had seized the government "before the United States could rub its eyes."

The British foreign office took a more cautious attitude than President Truman who yesterday declared that Hungarian coup was an outrage.

British officials said they shared American anxiety over events in the Balkans, but they were deferring judgment pending a study of documents in which the Russians charged Nagy with plotting to overthrow "Hungarian democracy."

Lt. Gen. V. P. Sviridov, Soviet commander in Hungary, was reported by a foreign office spokesman today to have evaded a British request for these documents by saying they were in the hands of the Hungarian government.

THE HILL SCHOOL —
(Continued From Page One)

Gustave W. Weber, pastor of the St. James Lutheran Church and director of Religious Studies at The Hill, will give the benediction.

The commencement exercises will be concluded with an informal tea held in the head master's garden.

Dwyer, Elicker and Peirce who are to graduate tomorrow have been prominent in extra-curricular activities while students at The Hill. Dwyer was a member of the Far Fields tennis and soccer teams for two years. During his senior year, he was a member of the JV soccer team and a member of the Wranglers debating team.

Elicker became a student at The Hill in 1943, and during the past four years has been a member of the Far Fields football team. He also served as a class committeeman and a member of the AA movie club.

In 1945 he was elected captain of the JV basketball team and during his senior year he was a member of the varsity basketball team and the track squad. He recently received an appointment to the United States Military academy at West Point.

Peirce entered The Hill in 1943. He was on the junior varsity soccer team for four years, on the wrestling team two years, and a member of the Far Fields tennis team for four years. In addition, he was a member of the Pipe club.

The Monroe Hydraulic E-Z Ride Seat

Here is the Answer to the long-felt need for a simple, dependable means of cushioning the jolts and wracking side thrusts known to every farm tractor driver. This constant jarring and jerking is very tiring and injurious to health.

Monroe's Hydraulic E-Z Ride Seat smooths the ride and eliminates this "ride fatigue." Operator gets passenger car riding comfort; more work out of the tractor; more production per hour with greater safety and better health. Replaces other tractor seat assemblies. No holes to drill, it fits right in quickly and easily.

Hill School Student
Killed by Classmate
In Pistol Accident

Tragedy overtook two Hill school students when Roderick van Reigersburg, a student from New York, was accidentally shot and killed Thursday by his friend and classmate, Lawrence Bentley, of Perryburg, Ohio.

Van Reigersburg was a house guest of Bentley's parents, and had arrived at his friend's Ohio home only Thursday, after leaving The Hill Wednesday for the Summer vacation.

Following an investigation by Toledo authorities, a verdict of accidental death was returned by Coroner H. W. Mannhardt.

Bentley was playing with his brother's pistol when the accident happened, and Van Reigersburg died within a few minutes after he was shot.

Both youths are 16 years old, and were considered by Hill officials as good all-around students.

Bentley, a third form boy, had just finished his first year at the school. He belonged to the Hobby club, and was a member of the Far Fields baseball team.

Van Reigersburg, whose home is in New York, came to The Hill from Paris, entering shortly before Christmas, 1946. He was a Fifth form student with a high scholastic average.

for it. In the union shop, non-union workers may be hired but they must join the union shortly.

4. Outlaws union-controlled health and welfare funds established since Jan. 1, 1946.

5. Makes unions liable for unfair labor practices and subject to suit for violation of contract.

6. Outlaws jurisdictional strikes (usually called in inter-union disputes) and secondary boycotts, in which a union strikes at another employer by refusing to handle his products for its employer.

Senators Murray (D-Mont) and Pepper (D-Fla) kept the opposition fight rolling up to the bitter end.

The bill, if it goes on the statute books either with President Truman's signature or without it, will be known as the Taft-Hartley act after its sponsors—Senator Robert A. Taft of Ohio and Rep. Fred Hartley, New Jersey Republican heading the House labor committee.

The provision of the bill authorizing 60-day injunctions against strikes imperilling national health and safety would go into effect immediately with enactment of the measure.

Senators and representatives who drew up the compromise reasoned this might block a possible soft coal strike July 1.

As soon as the Senate voted, William Green, president of the AFL issued a statement saying that the Senate action "places the decision in the President's hands as to whether industrial democracy shall survive in America."

Consecration Rites
Held at Institute

Opening a three-day celebration of the first graduation, Pine Forge Institute held its consecration services at 8 o'clock last night, with a graduating class of six taking part.

Elder A. W. Thompson, pastor of the Southern District, N. J. Seventh Day Adventists, appealed to the group to persevere in their endeavors, in spite of all hardships in their way, and cited the Apostle Paul as an example of a man who refused to give up.

"Higher than the highest human thoughts can reach is God's ideal for His people," the churchman asserted. "Godliness is the goal to be reached."

The school choir of 20 voices sang a program of religious music, and the evening was rounded out with prayers, hymns, and Scripture readings.

Baccalaureate services are scheduled for 11 a. m. today, with the Elder J. H. Wagner, president of the Allegheny Conference, SDA, delivering the sermon.

Grads, Bit Weary, Return From Capital

One hundred forty-four Pottstown Senior High students tired and travel-worn but happy with their graduation trip, returned at 10:45 o'clock last night from Washington, after three days jam-packed with sightseeing and good times.

Late to bed each night and up at 6:30 o'clock each morning, some of them vowed they had only three hours sleep in as many days, but their enthusiasm over the places they went and the sights they saw remained undimmed.

A trip through the FBI buildings proved to be one of the most interesting of their experiences. Officials took time to explain the cracking of German codes during the war, and show the group exhibits of some of America's most notorious criminals, including the death-mask of John Dillinger, and some of the evidence found in the Lindbergh baby kidnapping case.

Yesterday afternoon was free, and the students took time to shop, tour, and sightsee, if any, and write postcards.

They returned wide-eyed last night, ready for a weekend of catching up on their sleep—or so many of them claimed!

WEED CONTROL —

(Continued From Page One)

The police were working on the problem. "All patrolmen have been instructed to report the owners of weed-grown property to the borough hall," Laughhead pointed out.

Notification to cut the weeds will be sent to these persons informing them that if they are not cut, the borough reserves the right to cut them and charge the owners for the service.

necessary to prevent giving any one a "predominant position." Here he warned that the acceptance of the principle of comparable contributions (supported by the other four powers) "might lead to the use of the organization of the armed forces in the interests of individual powerful states and to the detriment of legitimate interests of other countries."

Gromyko also: 1—Declared Russia could not agree to granting bases for U.N. forces because the world charter made no such provision and because acceptance "would be used by some countries for exerting political pressure on other countries, which have provided such bases." He said the insistence on bases was merely an attempt to by-pass the charter "in the interests of the policy of certain powerful nations."

2—Declared there was no reason for any country to have forces stationed outside its own borders. In this connection Gromyko declared that "the presence of armed forces of certain states in territories of other countries, including members of the United Nations, would constitute means of political pressure on these countries."

3—Contended that any forces contributed to the U. N. should be pulled back to home ground within 90 days. Any other system, he added, would be used as a "pretext for continuous presence of foreign troops" and told delegates there were many examples of troops having appeared in foreign territory and refusing to leave even when they were looked upon as unwanted guests.

Awards Presented At Norco Assembly

Students of North Coventry High school attended the final assembly of the school year yesterday morning.

A procession by the graduates and the traditional scripture reading and pledge to the flag were followed by a soprano solo, sung by Anna Mae Givin.

Safety patrol awards were made to 25 boys, from the seventh to the twelfth grades, by Alvin S. Alderfer, High school teacher, and A. Mervyn Wunderlich, of the Pottstown Automobile club.

Steve Bodolus and Janet Christman, eighth grade pupils, received the American Legion awards from Clarence H. Grimes, commander of the George A. Amole Post 47, American Legion.

The Legion's Auxiliary award was made to Victoria George, a ninth-grader, by Mrs. Elmer Betz, chairman of the Americanization committee of the auxiliary.

Band awards were made by Verna Orr, music supervisor. Norco "News" awards by Burnis Felman, commercial teacher; the girls' softball awards by Evelyn Wentzel, softball team coach; while Victor O. Williams, coach of the baseball team, presented his group its award.

A piano solo by Jean Belman and songs by a trio consisting of Miss Givin, Nancy Whiteco and Shirley Schurr, all graduates of the school this year, made up the musical portion of the program.

The COSGROVE STUDIOS take great pleasure in announcing the winners of their recent cutest baby search for 1947.

We are also pleased to announce the names of the judges selected for this search and wish to take this opportunity to thank them publicly for their untiring efforts on our behalf in selecting the winners from such a large volume of contestants.

Mr. Jack Annaman of the Annaman-Mott Studios, Scranton, Pa.

Mr. Russell Chubb of Mark & Fullter, Rochester, New York.

Mr. William Morgan of the Hazleton Plain Speaker & Standard Sentinel, Hazleton's daily paper.

We believe we made an excellent choice in appointing the above named, as they are fully qualified photographers with years of experience in their particular field. All are members of the Pennsylvania Photographers Association, and it required hours of hard work on their part in making their final decisions.

See the winners pictures displayed in our studio window and be convinced that it pays to see "COSGROVE" for better pictures.

Parents of winners must report to our studio within five (5) days from date of this publication to claim prizes.

dog seen in the vicinity of Hildale village. Judicious police work led to the discovery of the dog in Hildale where he was found securely tied with a clothesline.

His owner, Joseph Collins, Hildale, said the dog broke loose the other day but that it will not happen again. He assured Houser he would see Mrs. Falladino and make restitution for the chickens.

After more than three hours on the trail of the elusive canine, Houser returned to the police station and announced: "Case closed. Mission satisfactorily completed."

"That was fine detective work, Bob," Chief of Police James A. Laughhead declared when he heard the details of the case.

The dog was sentenced to a new collar and an unbreakable leash.

Car, in Tow, Is Struck By Auto on Route 100

Two vehicles were considerably damaged early this morning on Route 100 a mile north of the borough line when a car crashed into another car being towed out of a field by a truck.

Leonard C. Drumheller, of 425 Beech street, told State police of the Collegeville sub-station that he was going south on the highway when he cleared a ridge and saw before him a truck with car in tow across the road.

He slammed on his brakes, he said, but could not avoid striking the car, owned by Wesley Griswold, of Pottstown RD 3. The truck was being operated by Steven P. Urban, Florida resident who is staying at a local hotel.

Damage to Drumheller's car was estimated at \$300 and about the same to the other car. The wreck occurred at 2:15 a. m. No injury resulted.

Louis Papa Of Baby Boy; A Champion?

MEXICO CITY, June 6 (P)—The birth here of a 11½-pound boy to Mrs. Joe Louis was announced today and, in San Diego, Calif., the heavyweight boxing champion disclosed that he and his wife, divorced in 1945, were remarried a year ago.

Dr. Mario Gonzales Ulloa, head of the clinic where Mrs. Louis is a patient, said the baby was born May 28.

Mrs. Louis said, "I named the baby Joe Louis Jr."

She said she came to Mexico City last Feb. 1, when her husband appeared here in an exhibition match against Arturo Godoy, Chilean heavyweight.

"I sent a cable to Joe telling him that the baby was born," she added, "and he replied that he would come here as soon as he could."

Louis and his wife, the former Mary Trotter, were divorced in Chicago on March 27, 1945. They have a daughter, Jacqueline, who now is four years old.

Interviewed on a golf course at San Diego, Louis confirmed an announcement of the birth and said he hoped his son would become a champion fighter.

"If he's as lucky as I am, he will be," Joe declared.

The champion corrected his wife's announcement that he was going to Mexico, saying instead that he planned to meet her in Chicago and that she would fly there as soon as she was able to travel.

Their remarriage, he said, occurred last July in a small town in Indiana near Chicago. He could not remember the name of the town. He said he had made no effort to keep the event a secret and appeared surprised that his remarriage to Mrs. Louis was unknown.

Cardinals, Cardinalettes Play 3 Games Tomorrow

The Pottstown Cardinals and the Cardinalettes will pull off a triple header tomorrow afternoon and evening on Fisher Field, Hanover street and Farmington avenue with the unbeaten girls team playing two of the three contests.

In the opening game at 1:30 o'clock, Coach Andy Billo's lassies take on the Phoenix Cloth Lassies of Allentown. Billo has named Betty Mengel as his starting twirler in this contest with reliable Dotty Frech behind the plate.

The second contest pits the Cardinals against Carpenter Steel in a Bi-State Softball league struggle with the locals seeking their second league victory of the season and also revenge for a 17-4 setback in the opening league struggle at Reading.

Manager Jerry Seeders will choose from Don Nagle, Bob Endy, Thoop Edleman and Forrest Brumback for his starting pitcher with either Jack Rutter or Tuffy High behind the dish.

Tena Stewart will do the hurling in this encounter and Frech will again be behind the plate.

The finale of the day comes at 6:30 o'clock when the Cardinals return to action to take on the strong Walker Turner outfit from Plainfield, New Jersey in a return match. The local girls took the first game, 3-2, behind Mengel at Plainfield the past week.

The Cardinals have chalked up four straight victories and will be better five and six today. The locals trimmed the 1946 State Champion Bethlehem Armorettes, 12-10; the Gerner Girls, Woodbridge, New Jersey, 14-0; Walker Turner, 3-2, and the Mapettes, Lancaster, 19-0.

Spartan Star

Winner of two events and a close second in a third at the recent IC-4A championships in Philadelphia, Fred Johnson of Michigan State now looms as one of the possible Olympic hopes of Uncle Sam in the 1948 games in London. Johnson won the broad jump, 220-yard low hurdles and finished second in the century. His broad jump leap was 24 feet, 7½ inches.

PHILADELPHIA, June 6 (P)—Howie Schultz's home run into the left field stands with one out in the ninth broke a 3-3 tie and gave the Philadelphia Phillies a 4-3 victory over the Pittsburgh Pirates here tonight before 12,421. Johnny Wrosteck gave the Phillies a 3-1 lead in the first inning with a home run with two on but the Pirates tied it in the 9th.

Soroptimist Scouts Entertain Friends

Soroptimist Girl Scouts of Troop 5 entertained their friends Thursday night at a dancing party in the YWCA.

Under the instruction of Miss Ruth Wade and Mr. Richard Hartline, the girls and boys were given ballroom dancing lessons.

Following the dancing, refreshments were served.

Among the boys present were Kenneth Christman, Ronald Heydt, Earle Christman, Richard Heimbach, Walter Syphard and Melvin Ferce Jr.

Girl Scouts were Betty Eschbach, Joan Louise Endy, Agnes Rheinhart, Nancy Werner, Patricia Gibbons, Joan Seidel, Barbara High, Shirley

Weikel, Sonia Evanstad and Doris Burk.

The meeting was in charge of leaders Mrs. Charles Lichtenwalner and Miss Eleanor Land.

The current popularity of women's feathered hats dates back to the 16th century when feathers of rare birds replaced jewels and gold as decoration — for men's hats.

Sprinkle salt generously on icy walks or mix salt with sand, gravel or cinders to prevent winter falls.
